

Embassy Approval

Security Assurance for FMS Country Access to a United States Air Force Computer System

The following individual has requested access to your country's Foreign Military Sales (FMS) data resident in a United States Air Force Computer System managed by the Air Force Security Assistance Center (AFSAC). AFSAC managed computer systems currently include the Security Assistance Management Information System (SAMIS) and AFSAC On-Line.

User Requesting Data System Access: _____

Title of User: _____

Level of Data Required: UNCLASSIFIED

Highest Clearance Granted by User's Country: _____

On behalf of the country of _____, I certify that the above named individual is authorized to access my country's data resident in AFSAC managed computer systems. In addition, I certify that this individual possesses the security clearance stated above and is approved by his/her government for access to information resident in AFSAC Online/SAMIS on behalf of his/her foreign government. I further certify that the recipient will comply with any security requirements specified by the United States.
